

“SATIRIC AND STINGING . . .  
IMPORTANT TO READ.”

**AMERICAN JUDAS: A NOVEL**  
BY **MICKEY DUBROW**

**SALES HANDLE**

The wall of separation between Church and State collapses, and a free-spirited young couple must covertly navigate an oppressive American theocracy where fundamental Christianity is the law.

**DESCRIPTION**

A dystopian tale about a young couple's life after opportunistic U.S. politicians abolish the wall of separation between Church and State. Seth and Maggie Ginsberg do their best to navigate an oppressive theocracy where fundamental Christianity is the only legal religion, and abortion, homosexuality, and adultery are outlawed. When a co-worker outs Seth as a Jew, Seth escapes to Mexico, while Maggie is sent to a Savior Camp. *American Judas* mixes political satire, suspense, and family drama.
